

## Calling Card Recharge Form

Do you need more time added to your prepaid calling card? It's as easy as filling out this form. You can choose to add \$25, \$50 or \$100 to your existing card, regardless of the face value of the card. You must have some time left on your card in order for us to facilitate a recharge. If your card has run down to zero minutes, we will have to issue you a new card. **Your credit card will be billed by "BC Communications"** and the added minutes will be available within 24 business hours. You can also recharge your card over the phone by calling **1-877-619-6231**, or contacting the Blessed Hope distributor who sold you the card. We also have "Auto Recharge" which will automatically recharge your card when the balance reaches \$10.00. Check "yes" for this feature on the form below if you would like your card to be on **Auto Charge!**
